

TOWN OF AMHERST INDUSTRIAL DEVELOPMENT AGENCY And TOWN OF AMHERST DEVELOPMENT CORPORATION

2019 ANNUAL REPORT

(For purposes of Section 2800(2) of the Public Authorities Law)

Description of the Agency and Purposes of the Annual Report

The Town of Amherst Industrial Development Agency (AIDA) is a not-for-profit, public benefit corporation that provides tax abatement, grant administration and other economic development services to the Town of Amherst. In accomplishing its mission, the AIDA does not receive any operational funding from Federal, State, County or local sources. Instead, the AIDA relies primarily upon administrative fees charged to those companies that utilize its products and services.

The Town of Amherst Industrial Development Agency has one other affiliated not-for-profit organization as follows:

1) **Town of Amherst Development Corporation (ADC)**-This is a local development corporation serving as a conduit for Federal, State, County or local grant funding.

Both the AIDA and ADC are related since they are managed by the same personnel. They share the same Board of Directors as their oversight body.

As a Public Authority, the AIDA and ADC are required to comply with New York State's Public Authorities Law. Under this Law, the AIDA and ADC are required to submit a comprehensive annual report that includes information on:

- Operations and accomplishments
- Revenues and expenses
- Assets and liabilities
- Bond and notes outstanding
- Compensation (for those earning \$100,000 +)
- Projects undertaken during the year
- Property held and property dispositions
- Code of Ethics
- An assessment of internal control structure and effectiveness

In compliance with the Public Authorities Law, the following required information is presented for the fiscal year ended December 31, 2019.

Goal #2: Support Projects that increase taxable assessment and generate new property taxes

The AIDA conveyed title on eight properties in 2019 with a combined taxable assessment nearly \$10.6 million. Now fully taxed, these projects will pay an estimated \$250,000 in annual Town, County and School taxes based on 2019 tax rates. We know from previous analysis, that AIDA assisted properties continue to increase in value after a PILOT expires. A listing of these eight properties is at the end of this report.

In addition to these taxes, the AIDA currently has 67 properties under PILOT, which generated over \$5.3 million in tax payments broken down as follows:

Town	\$659,387
County	\$848,445
Village	\$12,739
Special Districts	\$669,808
School Districts	\$3,160,621
TOTAL	\$5,351,000

Goal #3: Implement Agency Policy and Practices that improve operations and advance its Mission

<u>Measured by</u>: Number and value of improvements to advance operation and Mission of the AIDA.

1. <u>Revised Fee and Expense Policy</u> – The AIDA reviewed and affirmed all policies in 2019 without change except for the Agency's Fee and Expense Policy. This policy remained unchanged for nearly a decade and required substantive changes to reflect current AIDA billing practices and legal costs associated with project documentation and closing.

Goal #4: Support implementation of economic development initiatives that maintain and enhance a high quality living environment in the Town of Amherst, Village of Williamsville and the Region

<u>Measured by</u>: (1) Number of meaningful collaborative efforts with Town of Amherst, Village of Williamsville and Region on development initiatives.

- 1. <u>Boulevard Mall/Opportunity Zone (OZ)</u> Amherst's OZ is a large triangular geography encompassing approximately 900 acres that begins at the nexus of Niagara Falls Boulevard and the I-290 and spreads South and East until the North side of Sheridan Drive. A number of AIDA initiatives occurred in this area occurred in 2019:
 - Rebranding The area has been designated as the Boulevard Central District and marketed as such to private investors. Marketing materials were developed coinciding with the Boulevard Mall auction.
 - Boulevard Mall Sold Douglas Development emerged as the sole owner of the property after buying out fellow bidders Sinatra Development and RMS. In addition to the acreage under its control, two large portions of the existing mall are owned and controlled by Benderson Development.
 - Generic Environmental Impact Statement (GEIS) A GEIS is complete for the
 entire area which should expedite private investment including contributions to
 mitigate impacts (sewer & traffic).
 - Retrofit Zoning New zoning codes are approved for this area of the Town focusing on the form development takes versus use. This zoning, known as Retrofit, allows for internal streets and circulation patterns which will lead to mixed use developments as single-story retail only environments are phased out.
- 2. <u>Downtown Revitalization Grant</u> The AIDA collaborated with the Town on seeking a \$10 million State grant for infrastructure improvements in the Boulevard Central District. The application included a menu of funding requests ranging from sewer upgrades including green infrastructure, to sidewalk and streetscape improvements, including the reintroduction of streets into the current shopping plazas. This effort was similar to our application in 2018 but was coupled with meetings in Albany with Legislators and the Governor's Office to explore alternative funding sources for infrastructure work.
- 3. <u>Amherst Central Park</u> Meetings and discussions took place in 2019 centering on shifting most of the development to land near the Northtown Center and the Western portion of the golf course. Development on Westwood is associated with programming centered on reuse of the clubhouse and the immediate grounds. The AIDA is exploring funding mechanisms to assist in the development of individual projects and infrastructure, such as parking, for proposed developments.

- 4. <u>Local Waterfront Revitalization Plan</u> The AIDA is on the steering committee overseeing a state land use process centered on protecting and defining land use on waterfront property. Included in the study area are lands along Tonawanda Creek, the Erie Canal, Audubon and Northtown Center, and the former Westwood Country Club. The committee completed a analyses on recreational and development opportunities throughout the study area in 2019.
- 5. <u>Countywide Eligibility Policy</u> The AIDA, in conjunction with the other five (5) IDAs in Erie County, finalized a draft of eligibility guidelines in the document that reflects changes required by NYS Statute. In addition, PILOT schedules were finalized creating a 3-tier system based on a project's impact to the area. We anticipate the completion of this initiative in 2020.
- 6. <u>Amherst-Buffalo Transit Study</u> The AIDA sits on the advisory committee for the planned light-rail connecting UB's South Campus, UB North and Audubon. The NFTA is forecasting a doubling of ridership from 15,000 riders per day to 30,000 riders per day based on its preferred route. Environmental studies are nearly complete and a Draft Environmental Impact Statement is expected in early 2020.
