INDEPENDENT AUDITOR'S REPORT

March 29, 2019

To the Board of Directors of the Town of Amherst Industrial Development Agency:

Report on the Financial Statements

We have audited the accompanying financial statements of the Town of Amherst Industrial Development Agency (the Agency), a discretely presented component unit of the Town of Amherst, New York, as of and for the years ended December 31, 2018 and 2017, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Agency as of December 31, 2018 and 2017, and the changes in its financial position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 3-6 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Agency's basic financial statements. Schedules 1-2 are presented for purposes of additional analysis and are not a required part of the basic financial statements.

These schedules are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 29, 2019 on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED) FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

The following Management's Discussion and Analysis (MD&A) of the Town of Amherst Industrial Development Agency's (the Agency) financial position provides an overview of Agency's financial activities for the years ended December 31, 2018 and 2017. The MD&A should be read in conjunction with Agency's financial statements and related notes, which follow the MD&A.

FINANCIAL HIGHLIGHTS

- The assets of the Agency exceeded its liabilities at December 31, 2018 and 2017 by \$1,682,464 and \$2,008,210, respectively.
- The Agency's net position decreased by \$325,746 in 2018 and increased by \$224,769 in 2017, as a result of 2018 and 2017 operations.
- The Agency's total revenues (operating and non-operating) were \$204,555 and \$753,139 in 2018 and 2017, respectively.
- The Agency's total expenses were \$530,301 and \$528,370 in 2018 and 2017, respectively.

OVERVIEW OF THE FINANCIAL STATEMENTS

The statement of net position and the statement of revenue, expenses, and change in net position report information about the Agency as a whole and about its activities. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenue and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Agency's net position and changes in them from one year to the next. The Agency's net position, the difference between assets and liabilities, is one way to measure the Agency's financial health, or financial position. Over time, increases or decreases in the Agency's net position are one indicator of whether its financial health is improving or deteriorating. Consideration should also be given to other factors, such as changes in the Agency's fee income and the fluctuation of the Agency's expenses, to assess the overall health of the Agency.

NOTES TO FINANCIAL STATEMENTS

The financial statements also include notes that explain the information in the financial statements. They are essential to a full understanding of the data provided in the financial statements.

FINANCIAL ANALYSIS

The analysis below summarizes the statements of net position (Table 1) and changes in net position (Table 2) of the Agency as of and for the years ended December 31, 2018, 2017 and 2016.

Table 1 – Statements of Net Position (000s omitted)

	<u>.</u>	<u> 2018</u>	<u> 2017</u>	:	<u> 2016</u>
ASSETS:					
Current assets	\$	1,583	\$ 1,759	\$	1,571
Capital assets, net		585	611		631
Restricted and other assets		114	 114		115
Total assets		2,282	 2,484		2,317
LIABILITIES:					
Current liabilities		278	100		107
Long-term liabilities		322	 376		426
Total liabilities		600	 476		533
NET POSITION:					
Net investment in capital assets		210	185		158
Restricted		64	64		65
Unrestricted		1,408	 1,759		1,561
Total net position	\$	1,682	\$ 2,008	\$	1,784

A large portion of the Agency's net position (83.7% in 2018, 87.6% in 2017 and 87.5% in 2016) is unrestricted and available to meet ongoing and future liabilities. The decrease in overall net position from 2017 to 2018 is due to a decrease in administrative fees generated during the year.

Long-term liabilities consist of the Agency's mortgage on its office building and continue to decline as payments are made.

Overall, the Agency continues to report a positive net position.

FINANCIAL ANALYSIS (Continued)

Table 2 shows the changes in net position for the years ended December 31, 2018, 2017 and 2016.

Table 2 – Changes in Net Position (000s omitted)

DEVENUEO.		<u>2018</u>	<u>.</u>	<u>2017</u>	2	2016
REVENUES: Administrative fees	\$	149	\$	341	\$	399
Application fees	·	1	·	2	•	2
Other and interest income		54		410		3
Total revenues		204		753		404
EXPENSES:						
Salaries and benefits		323		314		520
Town of Amherst - CDBG Funds		-		-		42
Mortgage interest		24		27		30
Professional fees		47		53		181
Depreciation		27		27		28
Other general and administrative		109		107		126
Total expenses		530		528		927
Change in net position	\$	(326)	\$	225	\$	(523)

Agency revenues in 2018 decreased from 2017 due to a decrease in the level of lease agreements, new installment agreements, second mortgage agreements, and refinancing transactions in 2018 when compared with 2017.

In 2018, Agency expenses remained consistent, within 1% of 2017 expenses.

FUTURE FACTORS

The Tax Cut and Jobs Act, signed into law by the President of the United States at the end of 2017 created Opportunity Zones (OZ) to attract investment capital into areas that are considered economically distressed or next to areas that qualify. Investors defer tax on capital gains invested in an OZ depending on the length of time the investment remains in an OZ. There are 8,732 OZ in the United States competing for capital that must be invested by 2021.

Amherst's OZ is a large triangular geography that begins at the nexus of Niagara Falls Boulevard and the I-290 and spreads South and East until the North side of Sheridan Drive. There are several large property owners that own significant tracts (+40-50 contiguous acres) that could take advantage of this program to springboard redevelopment of declining office and retail facilities. Town and AIDA efforts are focusing to accelerate repurposing of the Ridge Lea Complex and Boulevard Mall Area, one or both of which could lead to meaningful projects for the AIDA.

On the State Level, advocates for requiring prevailing wages to be paid on any project that receives state or local incentives is under consideration by both houses of the legislature. Bills making this a part of the economic landscape have been introduced and supported previously by democratic conferences. Since the State Senate is now firmly in democratic control, there is a heightened risk of passage of this damaging mandate. An independent analysis concluded that this provision would add approximately 28 percent to the cost of an economic development project upstate, drive-up the cost of doing business in the state even higher, and thereby make the entire state less competitive. The increase in construction would effectively eliminate the benefit that an IDA provides, which is usually between 10-20% of total investment.

Town-wide, the office market continues to improve, as vacancy declined again slightly and trends indicate that this will continue. All office and industrial property are still subject to market conditions driven by younger workers forcing employers to provide for mixed use options that present vibrant experiences. This market trend, and the lack of large available tracts of land for new buildings, is tempering opportunities for new company locations and expansion. Redevelopment of nodes of development throughout the Town presents an opportunity for projects, but the process of creating new zoning classifications and general distrust by the surrounding community is slowing the project pipeline.

CONTACTING AGENCY'S ADMINISTRATION

This financial report is designed to provide citizens, taxpayers, customers, investors and creditors with a general overview of the Agency's finances and to show the accountability for the money received. If you have questions about this report or need additional financial information, contact the Town of Amherst Industrial Development Agency, 4287 Main Street, Amherst, NY 14226.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2018 AND 2017

1. AGENCY

The Town of Amherst Industrial Development Agency (the Agency) is a public benefit corporation created in 1973 in accordance with Article 18-A of New York State (the State) General Municipal Law for the purpose of encouraging financially sound companies to locate and expand in the Town of Amherst, New York (the Town). The Agency is exempt from federal, state and local income taxes. The Agency is a discretely presented component unit of the Town.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Agency's financial statements are prepared in conformity with accounting principles generally accepted in the United States as set forth by the Governmental Accounting Standards Board (GASB) for proprietary funds.

Basis of Presentation

GASB requires the classification of net position into three classifications defined as follows:

- Net investment in capital assets This component of net position consists of capital assets, net of accumulated depreciation, reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets, if applicable. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets. Rather, that portion of the debt is included in the same net position component as the unspent proceeds.
- Restricted net position This component of net position consists of amounts which have external constraints placed on their use imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- Unrestricted net position This component of net position consists of net position that do not meet the definition of "net investment in capital assets," or "restricted".

When both restricted and unrestricted resources are available for use for the same purpose, the Agency uses restricted resources first and then unrestricted resources, as needed.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Nature of Activities

• Industrial Development Revenue Bonds

Industrial development revenue bonds issued by the Agency are secured by the properties which are leased to companies and are retired by lease payments. The conduit debt arising from bonds and notes are not obligations of the Agency. The Agency does not record the assets or liabilities resulting from completed bond and note issues in its financial statements since its primary function is to facilitate the financing between the borrowing companies and the bond holders. The Agency receives bond administrative fees from the borrowing companies for providing this service. Such fees are recognized immediately upon issuance of the funds. At December 31, 2018 and 2017, there were no tax-exempt bonds outstanding with an aggregate amount payable.

• Lease, Second and Collateral Mortgage Agreements and Other Financing Programs

Lease agreements are used for projects when no financing is needed. Typically the project is financed internally by the company or developer. Second and collateral mortgage agreements are a financing tool used only when there is a mortgage already on the property. There are typically two types of second mortgages available: (1) a fixed asset second mortgage which is used for tenant improvements and/or equipment when the builder/owner needs to borrow additional money; and (2) an equity asset mortgage which is used for permanent working capital when the borrower/owner borrows the appreciated value or equity in an existing building. There are a variety of other financing programs, such as equipment purchase mortgages, leasehold mortgages, installment sales, acquisitions and expansions that the Agency offers to participating companies.

The Agency does not record the assets or liabilities resulting from these activities in its financial statements since its primary function is to arrange the financing. Funds arising therefrom are controlled by trustees or banks acting as fiscal agents. For providing this service, the Agency receives administrative fees from the borrowing companies. Such fees are recognized when earned.

• Lease with Mortgage Transactions

Lease agreements with mortgages are used where financing is required but the borrower and lender do not want to enter into a bond transaction. In lease with mortgage transactions, the Agency signs the mortgage to subject its interest in the real property to the lien of the mortgage but does not execute and deliver a bond. The borrower company signs a note and joins in signing the mortgage with the Agency. Agency participation in the mortgage provides for the mortgage tax exemption. Agency policy has been to not take fee title to any additional real estate and instead for all new transactions involving real estate, the Agency takes a leasehold interest in the real estate which is sufficient to provide for real property tax abatement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Nature of Activities (Continued)

• Payments in Lieu of Taxes

The Agency has entered into contractual arrangements with each of the client companies that have outstanding industrial development revenue bonds, whereby the client companies make payments in lieu of taxes to the Agency. Upon receipt of such payments, the Agency remits them to various taxing jurisdictions (Town of Amherst, County of Erie and various school districts) within the Town. The Agency typically does not reflect transactions regarding payments in lieu of taxes in its financial statements since its function in this area is to collect and remit the payment. The Agency does not charge a fee for this service. For the year ended December 31, 2018, the Agency collected \$4,159,019 of payments in lieu of taxes and remitted \$3,935,514 to the taxing jurisdictions. \$223,504 of these collections have not yet been remitted; and therefore, this is reported as an amount due to Erie County Industrial Development Agency on the Agency's financial statements. The Agency collected and remitted \$4,097,177 of payments in lieu of taxes for the year ended December 31, 2017.

Related Parties

The Agency is related to the Town of Amherst Development Corporation (the Corporation), a not-for-profit corporation, through common membership of its Board of Directors.

Cash

Cash includes cash on hand, demand deposits, money market funds, and savings accounts.

Accounts Receivable

Accounts receivable are shown gross, with uncollectible amounts recognized under the direct write-off method. Generally accepted accounting principles require the use of the allowance method for recording bad debts. However, the use of the direct write-off method is not materially different from the results that would be obtained under the allowance method. Amounts for which no payments have been received for several months are considered delinquent and when customary collection efforts are exhausted, the account is written-off.

Capital Assets

Assets purchased or acquired with a useful life exceeding one year are capitalized. Contributed fixed assets are recorded at fair value at the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs for repairs and maintenance are expensed as incurred. The Agency depreciates assets on the straight-line basis over the asset's estimated useful lives ranging from 3 to 10 years.

Revenue Recognition

Operating revenue consists of revenue from fees earned on new projects when bonds are issued, mortgages are issued or a refinancing occurs. The Agency charges an amount equal to 1% of the project amount. For second mortgages, the Agency charges an administrative fee of .50%. For lease assignments and assumptions, the Agency charges an administrative fee of 1%. For the tax exempt financing, the Agency charges an administrative fee of .50%. Fee income is recorded as revenue when the financing closes, regardless of when the related cash is received. For projects receiving a sales tax letter, 25% of the fee is recognized as revenue when the sales tax letter is issued. Fee income received prior to closing is recorded as deferred revenue. The Agency defines non-operating revenue as interest earnings.

Income Taxes

The Agency is a not-for-profit public benefit corporation and is exempt from income taxes under the Internal Revenue Code.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. DEPOSITS WITH FINANCIAL INSTITUTIONS AND INVESTMENTS

The Agency's investment policies are governed by State statutes. In addition, the Agency has its own written investment policy. Agency monies must be deposited in Federal Deposit Insurance Corporation (FDIC)-insured commercial banks or trust companies located within the State and which have a branch office located within the Town. The Agency is authorized to use only demand accounts and certificates of deposit. Collateral is required for demand deposits and certificates of deposit not covered by federal deposit insurance. Obligations that may be pledged as collateral are obligations of the United States and its agencies and obligations of the State and its municipalities and school districts.

Cash

At December 31, 2018 and 2017, the Agency's cash was covered by FDIC insurance, or by eligible securities held in the Agency's name by a third-party custodial bank or by the bank's trust department. The Agency's deposits consisted of the following at December 31:

	20	018	2017		
	Bank	Carrying	Bank	Carrying	
	<u>Balance</u>	<u>Amount</u>	<u>Balance</u>	<u>Amount</u>	
Checking accounts Money market account	\$ 63,075	\$ 54,867	\$ 73,509	\$ 57,401	
			1,685,505	1,685,505	
	<u>\$ 1,650,229</u>	<u>\$ 1,642,021</u>	<u>\$ 1,759,014</u>	<u>\$ 1,742,906</u>	

These deposits were insured or collateralized as follows:

FDIC insurance Collateralized by third party	\$	2018 377,453 1,298,244	\$	2017 387,852 1,398,586
Total FDIC insurance and collateral	<u>\$</u>	1,675,697	<u>\$</u>	1,786,438

Restricted cash and equivalents at December 31, 2018 and 2017 consist of the following:

	<u>2018</u>	<u> 2017</u>
Funds restricted for mortgage escrow - cash on deposit -		
escrow accounts	\$ 64,378	\$ 64,343

The Agency has also designated \$100,000 of unrestricted fund balance at December 31, 2018 and 2017 to be used for future investments.

4. CAPITAL ASSETS

Capital assets, net

Capital asset activity for the year ended December 31, 2018 was as follows:

	Beginning <u>Balance</u>	Increases	<u>Decreases</u>	Ending <u>Balance</u>

5. RELATED PARTIES

As discussed further in Note 8, at December 31, 2018 and 2017, the Agency had a \$50,000 non-interest bearing note receivable from the Corporation.

In addition, the Agency provides office space and personnel at no cost to the Corporation. The Corporation reimburses the Agency for the use of office space and personnel through its management fee.

The Agency transferred \$1,280 to the Corporation during the year ended December 31, 2018 and \$6,000 ended December 31, 2017.

6. DUE TO ERIE COUNTY INDUSTRIAL DEVELOPMENT AGENCY

As described in Note 2, the Agency collects and remits payments in lieu of taxes on behalf of various taxing jurisdictions. As of December 31, 2018, the Agency is holding \$223,504 of the payments collected. This money relates to one specific PILOT agreement, for which there is a Memorandum of Understanding (MOU) with Erie County that stipulates Erie County can decide how this money should be used. There have been ongoing discussions between Agency management and parties to the MOU regarding the potential for the Amherst IDA to utilize this money toward projects in Amherst. As there has been no formal conclusion or agreement in regards to these discussions as of December 31, 2018, the amount held by the Agency is shown as an amount eligible for allocation per the terms of the MOU on the Statement of Net Position.

7. MORTGAGE PAYABLE

The Agency's mortgage with KeyBank amounted to \$375,696 and \$426,159 at December 31, 2018 and 2017, respectively. The mortgage bore interest at 6% per year and was payable in 60 monthly installments of \$6,225 comprising of principal and interest through December 31, 2014. At January 1, 2015, the interest rate adjusted daily to 2% above the Regular Fixed Advance Rate offered by the Federal Home Loan Bank of New York for instruments having a term of five years. However, in no event will the rate fall below 6%. Payments will be made in 60 monthly installments based on a 10-year amortization of the outstanding balance at January 1, 2015. Amounts borrowed bear interest at 6% at December 31, 2018 and 2017. A balloon payment for the remaining balance is due in January 2020. The terms of the mortgage require the Agency to maintain a restricted deposit with the bank which amounted to \$64,378 and \$64,343 at December 31, 2018 and 2017.

The mortgage requires the Agency to maintain a minimum debt coverage ratio of 1.2 to 1. The Agency obtained a waiver related to the minimum debt coverage covenant as of December 31, 2018. The Agency met the minimum debt coverage covenant as of December 31, 2017.

7. MORTGAGE PAYABLE (Continued)

The aggregate maturity of the mortgage payable for the years ending December 31 is as follows:

2019	\$ 53,325
2020	 322,371
	\$ 375.696

Long-term debt relating to the Agency consisted of the following at December 31,

	Beginning Balance <u>2018</u>	<u>Increases</u>	<u>Decreases</u>	Due Within <u>One Year</u>	Long-term Portion <u>2018</u>
Mortgage – KeyBank	<u>\$ 426,159</u>	<u>\$</u>	\$ (50,463)	\$ (53,325)	\$ 322,371
	Beginning Balance <u>2017</u>	Increases	<u>Decreases</u>	Due Within One Year	Long-term Portion <u>2017</u>
Mortgage – KeyBank	\$ 473,702	<u>\$</u>	<u>\$ (47,543)</u>	\$ (50,227)	\$ 375,932

Cash paid for interest amounted to \$24,233 and \$27,153 for the years ended December 31, 2018 and 2017, respectively.

8. DEFINED CONTRIBUTION PLAN

The Agency sponsors a defined contribution pension plan covering all employees who are age 21 or older and have completed one year of service. Contributions to the plan are made by the Agency at the rate of 7.7% of the employee's compensation. Employees are required to contribute at least 3% but not over 10% of their compensation. The total amount of expense relating to the plan incurred by the Agency amounted to \$18,260 and \$17,998 during the years ended December 31, 2018 and 2017, respectively.

9. COMMITMENTS

The Agency has entered into an agreement with several other entities to stimulate economic development through debt or equity investment in technology start-ups in Western New York. This is being done through the Western New York Business Development Fund. The agreement calls for the Agency to make a maximum commitment to fund investments in the amount of \$150,000. At December 31, 2018 and 2017, the Agency has funded a total of \$50,000. This has been accomplished by the Agency loaning the funds to the Corporation, which in turn made investment in local businesses.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

March 29, 2019

To the Board of Directors of Town of Amherst Industrial Development Agency:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Town of Amherst Industrial Development Agency (the Agency), a discretely presented component unit of the Town of Amherst, New York, as of and for the year ended December 31, 2018, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated March 29, 2019.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
